TEACHER QUALIFICATIONS: (PARENTS’/GUARDIANS’ RIGHT TO KNOW)

The Federal Elementary and Secondary Education Act or ESEA, requires that all parents/guardians in a Title I school be notified and given the opportunity to request information about the professional qualifications of classroom teachers instructing their child. If any parent or guardian is interested in this information, you may send your request in writing to the principal. The principal will provide a response to your request. Anyone can access Teacher 411 to find the qualifications of any licensed teacher in South Dakota.

The Eagle Butte School District will take the following actions to provide each parent/guardian timely notice when their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified within the meaning of the term in section 200.56 of the Title I Final Regulations (67 Fed. Reg. 71710, December 2, 2002) by:

- 1. Providing a notice will be provided to the parents/guardians in letter format from the building level principal of each classroom teacher who is not highly qualified by the first two weeks of the school year.**
- 2. Notifying Parents/Guardians within four weeks that their student is being taught by a non-highly qualified teacher during the school year.**
